# Legendary capability, electrified.

## QUADRA-TRAC II® 4x4 SYSTEM

This system features a two-speed transfer case that uses inputs from a variety of sensors in order to determine tire slip at the earliest possible moment and take corrective action. Quadra-Trac II® also features a low range for added capability when off-road.

## QUADRA-DRIVE® II

Don't let the forecast hold you back. Available Quadra-Drive® II features a rear Electronic Limited Slip Differential (a 4x4 system that's always active). The system transfers up to 100% of available torque to a single rear wheel when necessary—meaning excellent capability in nearly any weather.

## WATER-SEALED BATTERY PACK

The battery on the Grand Cherokee 4xe features a special water seal that allows drivers to power through up to 24 inches of water<sup>3</sup> without worrying about damaging their vehicle's battery.

## ELECTRIC-POWERED AND PROTECTED

Designed with formidable terrain in mind, the underbody of the 4xe is protected with a reinforced housing to ensure its vital components can handle rugged obstacles.

## BLOW PAST EVERY EXPECTATION

The Class-Exclusive PHEV powertrain<sup>8</sup> on the 2024 Jeep® Grand Cherokee 4xe is a startling combo of progress and unmitigated power, offering both Best-in-Class torque<sup>8</sup> and the lowest greenhouse gasses of any Grand Cherokee ever<sup>9</sup>. Don't let the near-silence of all-electric operation fool you—the legendary capabilities of Grand Cherokee still roar beneath this hood.

MAXIMUM HORSEPOWER	BEST-IN-CLASS LB-FT OF MAXIMUM TORQUE	MANUFACTURER'S ESTIMATED TOTAL RANGE (MILES)	MPGE	MAXIMUM TOWING CAPACITY (LB)
 375	 470 <sup>4</sup>	 470 <sup>5</sup>	 56 <sup>6</sup>	 6,000 <sup>7</sup>

HYBRID MODE

ELECTRIC MODE

eSAVE MODE

## HYBRID MODE

Why not both? Hybrid Mode combines the forces of our 2.0L Turbo engine and the electric motor. This efficient combo provides maximum horsepower, instant torque and impressive acceleration.

## CHARGERS NEAR ME

Whether you're utilizing all-electric range for daily commutes or the total driving range for longer trips, there's no destination out of reach.

48071

## YOUR \$7,500 INCENTIVE IS WAITING

Qualified lessees<sup>11</sup> of a Jeep<sup>®</sup> Grand Cherokee 4xe may qualify for up to a \$7,500 EV incentive through a Stellantis Preferred Lender, to be factored into the lease calculation.

[Explore Incentives >](#)

## GOODBYE TO THE GAS LIGHT

Daily commuters and neighborhood drivers may never have to gas up again. With an all-electric range of 25 miles<sup>11</sup> and professionally-installed home chargers available<sup>12</sup>, the Jeep<sup>®</sup> Grand Cherokee 4xe has the lowest estimated annual fuel cost of any Grand Cherokee ever<sup>13</sup>. Give back to your world—and your wallet.

VETTED PROS

A background-checked, licensed professional will complete the job.

## CONVENIENT INSTALLATION

Quickly receive an estimate and schedule your installation at a time that works for you.

## HAPPY EV DRIVERS

Over 10,000 quality EV charging installations performed.

## MAKE THE ADVENTURE YOUR OWN
